**DIANA CONTAINERSHIPS INC. ANNOUNCES TIME  
CHARTER CONTRACT FOR M/V GREAT WITH MAERSK**

ATHENS, GREECE, August 3, 2015 – Diana Containerships Inc. (NASDAQ: DCIX), (the “Company”), a global shipping company specializing in the ownership of containerships, today announced that, through a separate wholly-owned subsidiary, it entered into a time charter contract with Maersk Line A/S for one of its Post-Panamax container vessels, the m/v Great. The gross charter rate is US\$14,750 per day, minus a 5% commission paid to third parties, for a period of minimum six (6) months to maximum nine (9) months. The charter is expected to commence on August 15, 2015.

The charterer has the option to employ the vessel for a further nine (9) month period, plus or minus thirty (30) days, at a gross daily rate of US\$21,000 minus a 5% commission paid to third parties, starting nine (9) months after delivery of the vessel to the charterer. This option must be declared by the charterer not later than five (5) months after the delivery date to the charterer.

The “Great” is a 5,576 TEU container vessel built in 2004.

This employment is anticipated to generate approximately US\$2.66 million of gross revenue for the minimum scheduled period of the charter.

Diana Containerships Inc.’s fleet currently consists of 12 container vessels (4 Post-Panamax and 8 Panamax) as well as a Panamax container vessel, the m/v Cap Domingo, presumed sold, to be delivered to its new owners by mid-March 2016 (however, the closing of this sale is subject to buyer's Board of Directors approval not later than September 4, 2015). The Company also expects to take delivery of two Post-Panamax container vessels, the first by mid-September 2015 and the other by the end of November 2015. A table describing the current Diana Containerships Inc. fleet can be found on the Company’s website, [www.dcontainerships.com](http://www.dcontainerships.com). Information included on the Company’s website does not constitute a part of this press release.

## **Cautionary Statement Regarding Forward-Looking Statements**

Matters discussed in this press release may constitute forward-looking statements. The Private Securities Litigation Reform Act of 1995 provides safe harbor protections for forward-looking statements in order to encourage companies to provide prospective information about their business. Forward-looking statements include statements concerning plans, objectives, goals, strategies, future events or performance, and underlying assumptions and other statements, which are other than statements of historical facts.

The Company desires to take advantage of the safe harbor provisions of the Private Securities Litigation Reform Act of 1995 and is including this cautionary statement in connection with this safe harbor legislation. The words "believe," "anticipate," "intends," "estimate," "forecast," "project," "plan," "potential," "may," "should," "expect," "pending" and similar expressions identify forward-looking statements.

The forward-looking statements in this press release are based upon various assumptions, many of which are based, in turn, upon further assumptions, including without limitation, our management's examination of historical operating trends, data contained in our records and other data available from third parties. Although we believe that these assumptions were reasonable when made, because these assumptions are inherently subject to significant uncertainties and contingencies which are difficult or impossible to predict and are beyond our control, we cannot assure you that we will achieve or accomplish these expectations, beliefs or projections.

In addition to these important factors, other important factors that, in our view, could cause actual results to differ materially from those discussed in the forward-looking statements include the strength of world economies and currencies, general market conditions, including fluctuations in charter rates and vessel values, changes in demand for containership capacity, changes in our operating expenses, including bunker prices, drydocking and insurance costs, the market for our vessels, availability of financing and refinancing, changes in governmental rules and regulations or actions taken by regulatory authorities, potential liability from pending or future litigation, general domestic and international political conditions, potential disruption of shipping routes due to accidents or political events, vessel breakdowns and instances of off-hires and other factors. Please see our filings with the Securities and Exchange Commission for a more complete discussion of these and other risks and uncertainties.
